

# Roatan Adventure August 5-12,2017

**Turquoise Bay Resort is Located on Roatan, the Largest of the Honduras Bay Islands. It is situated 35 miles off the north coast of Honduras. The Bay Islands are an extension of the Sierra de Omoa mountain range and very often Pirates who took advantage of the safe harbor around Port Royal. Native Garifuna communities still exist in Punta Gorda.**

**Roatan is a long , narrow island,40 miles in length, total landmass of 49 square miles. The mountainous backbone is surrounded by extensive coral reefs. Fishing villages and towns dot the coast-line.**

**Turquoise Bay Resort is located on the protected Northeast shore of Roatan. Coral reefs are in more shallow water, and experience calmer seas that the deeper and rougher north side.**

**Because of it's location on the windward side of island the resort enjoys a near constant gentle breeze from the prevailing winds of the Caribbean.**
